San Bernardino / Riverside Counties Annual Awards and Scholarship Ceremony:

We plan to have our Annual Awards Ceremony again in September, at the Convention Center, so please start thinking about project and individual nominations.

Highlight of Events:

8th Annual Scholarship Golf Tournament

This year's Golf Tournament at Hidden Valley Golf Course in Norco, on February 26th, was quite a successful event! The nice cool morning turned into a beautiful afternoon for 60 golfers at this gorgeous golf course. Seventeen foursomes enjoyed mingling on the course and afterwards at the awards ceremony. Congratulations to Value Engineering, our 1st place winner and thank you to Jeff Meiter of Value Engineering, John Thompson of IMEG, Yolanda Baber of Bureau Veritas and Yesenia Diaz of TKE for organizing the event. We hope to schedule our 9th annual Golf Tournament this fall as regularly scheduled in October.

Lastly we would like to thank our sponsors:

ASCE National Headquarters Parking Lot Rehab Project

This year ASCE National rehabilitated their parking lot at Headquarters in Reston, Virginia. San Bernardino/Riverside Branch contributed a donation towards the project and will now forever have an engraved parking lot paver at headquarters. The ASCE Headquarters parking lot is truly an exceptional piece of civil engineering creativity. Not only does it create a remarkable and sustainable stormwater solution for a parking lot rehabilitation, it also showcases passionate benefactors that make our mission possible.

Membership Drive:

Types of Membership and Annual Dues (National)

Students: FREE

Associate Member: \$50 per year of Baccalaureate degree and first year after, then incremental increases to \$225 over five years.

Member: \$225
